27-28 February 2018 9:00am - 4:00pm	ADELAIDE	<b>CREATING MONTESSORI ENVIRONMENTS</b> TWO DAY WORKSHOP	Regular price: \$460pp  3 or more: \$399pp
3-4 April 2018 9:00am - 4:00pm	PERTH	This two-day programme focuses on creating Montessori Environments, an innovative method of working with older adults living with cognitive and/or physical impairments. Research has provided clear evidence of increased levels of engagement in activities when Montessori environments are created and associated decreases in the behaviours of unmet needs when people are engaged in meaningful activity.	
26-27 June 2018 9:00am - 4:00pm	SYDNEY	Participants in this workshop will learn about the basic principles of Montessori in aged care and be given practical "hands-on" opportunities to apply the techniques and consider how this philosophy of care can be adopted for their resident/clients and programmes.	
24-25 July 2018 9:00am - 4:00pm	TAMWORTH	The first day of the programme focuses on the facts (knowledge) and the second day focuses on putting the concepts into practice for residents/clients, activities and environments.	
14-15 August 2018 9:00am - 4:00pm	MELBOURNE	Workshop participants will be given the opportunity to complete the Development of Montessori Environments (Course Code 10066NAT) competency assessment. There is an additional fee of \$300.00 per person, applicable at the time of submitting assessment tasks associated with this.	
16-17 October 2018 9:00am - 4:00pm	BRISBANE	<b>Who Should Attend?</b> Any person who is interested in learning about new ways to deliver care and provide support to older adults including those people living with dementia are invited to attend. Montessori methods can be implemented by a range of people including, nurses, support workers, physiotherapists, occupational therapists, speech therapists, paid carers, family members, volunteers and community support workers.
