

# SUPPORTING THE DYSLEXIC CHILD IN MONTESSORI

Wednesday and Thursday, 20 - 21 May 2015, 4:00pm - 7:00pm  
Melbourne Montessori School

## A Workshop for 3-12 Teachers, Assistants, Administrators and Parents

Alison Aves – Director of Elementary Training at the Montessori Center of Minnesota, Assoziation Montessori Schweiz

Dyslexic children need sequential, multi-sensory and explicit experience with the sounds and symbols of our language to read fluently. The richly prepared environment provides a plethora of language experiences for the preschool and primary aged child. This workshop will cover characteristics of dyslexia, recommendations of leading authorities, and how to support the dyslexic child in a Children's House and then through Cosmic Education.
