Montessori Leadership Network Forum

Wednesday, 8 March 2017, VIC
5:00pm - 7:30pm

Once again in 2017 we will be holding our annual Leadership Network Forum in each State at a local Montessori school following the same format as last year. The forum will involve a brief presentation with ample time for questions, participation and networking with leaders from the Montessori community in your State including heads of school, centre directors, business managers and board members. An event not to be missed if you are involved in any way with leadership in your school, centre or community.

Participant outcomes:

- Awareness of recent milestones for the Montessori movement in Australia and internationally
- Examine key issues and explore solutions
- Connect and network with Montessori Heads of Schools, Business Managers and Board Members in your state
