

MONTESSORI LEADERSHIP NETWORK FORUM

QLD – Monday, 5 March 2018
5:00pm - 7:30pm

Keep your finger on the pulse and learn about the latest Montessori news and events that directly relate to your school or centre leadership responsibilities.

The Montessori Leadership Network Forums are an opportunity to share what's happening in the wider Montessori world beyond your school or centre, nationally and internationally.

Learn about the latest Montessori developments in training and professional development, school and centre quality assurance, MISA Task Force initiatives, and other projects set to make an impact. A brief presentation will be followed by networking with fellow Montessori leaders in your state, including heads of schools, board members, business managers and centre directors.
