

MONTESSORI 0-3 WORKSHOP: BUILDING YOUR CHILD'S BRAIN THROUGH LANGUAGE

VIC – Saturday, 28 April 2018
9:00am – 4:30pm

This workshop will focus on language development in children under the age of three. It will provide practical ideas on how to create a rich language environment for your child and how this will influence his or her cognitive development. Discover the role that language plays in maths and how an adult's language can influence self-regulation, executive function and development of the child's prefrontal cortex.

SARAH BRADY holds AMI diplomas at both Assistants to Infancy and Children's House levels. She has a Masters in Education from Loyola College in Maryland. Sara has worked extensively in a variety of Montessori settings: long-day care, pre-school and Montessori in the home. She has enjoyed working in Nido and Infant Communities as well as parent-infant classes. Sara lives in Sydney, Australia with her husband and three children. Sara is qualified as an AMI Assistants to Infancy trainer and is also an examiner at this level. She conducts teacher training internationally and is the currently the Director of Training in Dallas, Beijing and Sydney.
