

# MONTESSORI PARENT TALK: OUTCOMES: WHAT ARE THE ADVANTAGES OF A MONTESSORI EDUCATION?

VIC – Thursday, 10 May 2018  
6:30pm - 8:30pm

Adolescence brings with it unique possibilities for personal growth and change.

The Montessori Adolescent Programme is designed to meet each adolescent's intellectual needs, as well as their physical, social and emotional needs. In this way, the full human potential of each student is supported.

Laurie Ewert-Krocker, AMI Montessori adolescent teacher educator and leading international Montessori 12-15 practitioner, will provide you with an understanding of what this means in terms of outcomes for your 12 to 15 year old and what you can expect from your child's Montessori education.
