Grand Narratives: The Role of Great Stories in Cosmic Education

Saturday, 2 September 2017, QLD
9:00am - 4:30pm

The story so far...

An adult guide in a Montessori environment has prepared for his initiation as a "Storyteller of Truth", only to discover that things are not quite as they seem.

- The Timeline of Life is definitely bigger on the inside!
- Why did the children look at him so oddly when he told "The God with No Hands?"
- What is going on here?

Join Peter to work with your 6-12 colleagues to discover the Grand Narratives - the role of Great Stories in Cosmic Education.

The workshop is suitable for Montessori educators for children from 6 - 12 years of age.
