The story so far...

An adult guide in a Montessori environment has prepared for his initiation as a "Storyteller of Truth", only to discover that things are not quite as they seem.

- The Timeline of Life is definitely bigger on the inside!
- Why did the children look at him so oddly when he told "The God with No Hands?"
- What is going on here?

Join Peter to work with your 6-12 colleagues to discover the Grand Narratives - the role of Great Stories in Cosmic Education.

The workshop is suitable for Montessori educators for children from 6 - 12 years of age.

PETER ERSKINE is a 3-6 and 6-12 Montessori teacher with over 20 years experience. He has an M.Ed and has taught pre-service teachers at university level. He has conducted professional development training courses for in-service teachers in the Philippines and Australia.
