ANNE KELLY is a Montessorian Dementia Consultant who has worked extensively in dementia care both residential and community for the past 30 years. She is currently the Managing Director of Montessori Ageing Support Services and is considered an Australian leader in Montessori methods for ageing care. In 2009 she was awarded a Churchill Fellowship to study Montessori methods for Dementia Care which enabled her to work alongside world experts in this area including, Dr Cameron Camp, Professor Michelle Bourgeois and Gail Elliott, author of Montessori

Methods for Dementia, a textbook that uses examples of Anne's work in Australia and for which Anne wrote a foreword. Since her return from overseas Anne has been sharing the magic of Montessori Methods for Dementia around the country. Workshop participants may receive International certification with International Montessori for Elders if they wish by successful completion of certification assessment tasks.
