THE HILLS MONTESSORI SCHOOL
ADELAIDE HILLS
SOUTH AUSTRALIA

The Adolescent Program Forum is returning to where it began.....

Save the Date

THURSDAY 5TH SEPTEMBER - SUNDAY 8TH SEPTEMBER 2019

A central gathering of educators working in Montessori Adolescent Programs across the region, this forum is intended to be relevant, enjoyable and affordable. The forum will take place at The Hills Montessori School, *Wairoa* campus, South Australia.

Participants will revisit central principles guiding our work with young adolescents in Montessori middle years programs. They will explore the underlying structures and working processes that support these principles, particularly through the lenses of specific learning areas. Facilitated sessions will include short question-raising presentations from participants and expand to group discussions.

We ask that all participants come ready and willing to share their insights and experiences, successes and challenges. We hope you can join us!
