

## Montessori Model United Nations New Teacher Workshop Australia

Dear Colleague,

Montessori Model United Nations is thrilled to join Australian teachers and schools in inspiring youth all over the continent to create a better world!

We would like to extend an invitation to participate in the MMUN New Teacher Workshop which prepares you as a teacher to effectively engage your students in global issues, the workings of the United Nations, negotiation, collaborative problem solving, public speaking and resolution writing.

The workshop will give you, as a teacher new to MMUN, a variety of strategies necessary for successful preparation of your MMUN student delegates and for a successful global and peace education program.

The Australia New Teacher Workshop will take place on 23 - 24 July 2016 at Montessori East in Bondi, Sydney. Click [here](#) for detailed information and registration.

To learn more about MMUN, the curriculum and why teachers and parents tell us "**MMUN is a life-changing experience for our children**", please [visit our website](#).

Best Regards,
