or scan the QR code

Positive discipline helps children develop self-discipline, responsibility, cooperation and problem-solving skills.

## PRESENTER

### MARK POWELL

Mark Powell was first exposed to Positive Discipline as required reading during his Montessori training in New York in 1994. It was an indispensable foundation that helped him successfully manage 6-9 and 9-12 classrooms in the Boston and San Francisco Bay areas for the next 22 years. While in the United States Mark trained with Jane Nelson herself, eventually completing facilitator training. Mark also has a M.Ed. degree specializing in Conflict Resolution from Lesley University in Cambridge MA. He has published many articles on Montessori education and has designed many classroom materials which are now sold across the United States and internationally. As a Montessori trainer he has delivered many workshops at international conferences and has consulted for dozens of Montessori schools across the U.S. and in Australia and New Zealand. Mark returned home to Queensland in June 2016, serving as Assistant Principal of Montessori International College on the Sunshine Coast and then as 9-12 Guide at Montessori Noosa. He is Director of Education Services for Montessori Australia, developing workshops and teacher training programs. He is one of a handful of certified Positive Discipline facilitators in Australia, and regularly gives parent workshops around Australia. He is the father of Bella, his 12 year-old daily reminder of why these skills are so important!
