

POSITIVE DISCIPLINE PARENTING COURSE INTRODUCTION SESSION

Want to gain the cooperation of your child or students without the power struggles?

Do you need better strategies for those moments when yelling feels like the only thing that works?

Want to rebuild respectful and encouraging relationships with your child or students?

Join us for this FREE INTRO SESSION to find out more about the Positive Discipline Parenting Course. This session will explain how the course will help parents and educators with a cache of tools and strategies gain the cooperation of children by examining aspects of their own behaviour, and by empowering children with skills that develop resilience, empathy, self-control and the ability to solve their own problems without tantrums or acting out.

FREE 1HR INTRO SESSION VIA ZOOM
