“When details are presented as parts of a whole they become interesting. The interest increases in proportion to the gain in knowledge.”

Maria Montessori (on Cosmic Education)

Can a study of the English spelling system unlock deep understanding, vocabulary, reading, as well as spelling?

Join with Peter and your 6-12 colleagues to inquire into how we can assist children to explore the relationship between spelling and meaning in the English language in this 2-day workshop.

Delegates are welcome to bring laptops/tablets

PETER ERSKINE is a 3-6 and 6-12 Montessori teacher with over 28 years experience. He has an MEd and has provided professional development and mentoring for in-service teachers in Australia, Thailand and the Philippines. He also has experience in Indigenous education at both early childhood and primary (elementary) levels. Peter was course assistant on the AMI 6-12 training course in Thailand and is presently undertaking the AMI 6-12 Training of Trainers program.
