## PARENT SUPPORT

Montessori programmes aim to utilise experts in a variety of fields to expand opportunities for students' learning. Do you or any family members have a skill that you may be willing to teach or use to assist the students? Whether it is from your work or hobby, real world experience is highly valued. Time commitments will be negotiated with the Montessori programme co-ordinator. Please detail skills or expertise you are willing to share below, and we will pass this information on to the school.

## CONDITIONS FOR REGISTRATION OF INTEREST

(Please read carefully)

1. The information provided on this Registration of Interest Form will be used to contact you 2 years from the commencement year, or sooner (if applicable) to continue the enrolment process.
2. MAF has a formal Learning Partnership with the School and your information may be shared between MAF and the School.
3. To support the Learning Partnership, annual levies are payable by families to MAF. These funds are used to provide additional resources necessary to support the Montessori learning environment. Annual Levies are subject to review by MAF and are payable in advance on the due date shown on the invoice. All financial contributions and levies collected by MAF are in addition to fees billed by the School. MAF's current Schedule of Fees is available at [www.montessori.org.au](http://www.montessori.org.au).
4. Registrations of Interest are recorded in the Register of Interests in date order, with the completion and receipt of both the form and the non-refundable Administration Fee. Payment of the Administration Fee does not guarantee acceptance into the Montessori programme at the School. Limited positions are available in the School's Montessori programme each year.
5. The School is responsible for all placements within the school including the Montessori programme. To be considered for admittance into the Montessori programme, all enrolment procedures must be completed at the School. The Principal of the School has ultimate discretion to place a student into the Montessori programme.
6. Where there is more than one parent/guardian of the student at time of registration, all parties must sign the Declaration by Parents/Guardians and accept these conditions.
7. A non-refundable administration fee of \$100 must accompany this Registration of Interest Form. Cheques should be made payable to the "Montessori Australia Foundation".
